We carry one of the largest stocks of boys' and young men's clothing in this vicinity. It represents a greater variety of styles and patterns than you can find if you were to travel miles.

Why is this? If we were not able to satisfy customers, if we did not have the goods they were looking for, they would go elsewhere. Every time a merchant loses a sale, he makes a good customer for one of his competitors.

This is reason enough for our putting forth the utmost efforts to keep a stock of the most up-to-date clothing as regard style, quality and correct sizes.

Isn't it reasonable to expect that you can do better in buying of us than elsewhere?

It was currently reported today on the streets and in the business houses that the principal portion of last night's Democratic meeting was devoted to personal abuse of Judge Joseph A. Gill.

The supposition is that the fellows who attempted to rob the bank at Centralia were new at the business, suspicion pointed towards two or three local characters, but as yet, sufficient evidence to justify arrests has not been secured.

If the lingering of pleasant recollections of a delightful personality be the test of the merit of a dramatic performance, then Sol Smith Russell's "A Poor Relation" may claim distinction as a worthy, wholesome drama. It will be seen next Friday, Nov. 2 at the opera house.

Result of Neglect

In most cases consumption results from a neglected or improperly treated cold. Fowler's Honey and Tar cures the most obstinate coughs and prevents serious results. It costs you no more than the many preparations and it should exist upon having the genuine in the yellow package. A. P. Owens.
